IMPORTANT SUMMER ENROLLMENT INFORMATION - SUMMER 2015

Enrollment for summer courses begins March 2, 2015, on a first come, first served basis. Register early as classes fill quickly. Enrollment must be completed in PRISM.

A placement test or unofficial transcript is required if the course you are planning to enroll in has a prerequisite. Placement test registration information will be sent to you via email. If you have met the prerequisite through enrollment at another university, you must supply an unofficial transcript to wakadmit@uw.edu.

All enrolled students must activate their UW-Waukesha email account. Important information is communicated through campus email (including communication from your instructor). Campus email can be activated and accessed online at https://portal.uwex.uwc.edu.

Summer special students are not eligible for financial aid or federal veteran’s benefits.

UW-Waukesha will not send a bill for tuition and fees. Tuition and fees are due in full on the first day of the term of enrollment. We offer several terms in summer. It is your responsibility to ensure payment is received on or before the tuition and fees due date. To verify tuition and fees due, check your PRISM account. To verify due dates, visit us online at www.waukesha.uwc.edu/summer.

All new, first-time enrolled students are assessed new student fees. New student fees are posted in addition to and are due at the same time as tuition and fees. New student fee amounts are posted online under financial information.

Parking is available for students in student specified lots on the campus at no charge. Parking permits are not required for summer enrollment.

UW-Waukesha students can enroll in UW-Online courses in PRISM. UW-Online courses carry a different tuition and fee assessment, and have a different registration schedule and due dates. Please refer to the UW-Online website for more information at www.online.uwc.edu.

If you plan to continue as a special student for the fall semester, you must notify admissions at (262) 521-5467 or wakadmit@uw.edu.
