No Slowing Down

Even with the spring semester and school year winding down, the campus is still buzzing and there are a lot of activities on the agenda at UW-Waukesha in the coming weeks and months. Here are just a few of them:

The annual UW-Waukesha Foundation Golf Outing will be held Monday, June 15 at The Legends at Merrill Hills Golf Course in Waukesha. The fundraising event honors Phil Zweifel, former Associate Dean, faculty member, and golf enthusiast. Last year approximately 85 golfers raised funds to support the UW-Waukesha Foundation.

The High School Special Program allows qualified high school students to select and register for courses at UW-Waukesha. Students from public, private and home schools may participate in the HSSP. Students work with their high school counselor and/or an advisor from UW-Waukesha to select courses.

The Theatre Department will be offering a children’s play, *Cat In The Hat* at 10 a.m. and 1 p.m. on June 24 and 25th, 7:30 p.m. on June 26.

The Paving the Path to College program provides adults, who may not have considered it previously, an accessible way to attend college. **Program dates:** Saturdays, June 6-27. 9 a.m. to 3 p.m.

Improve your ACT score with Continuing Education’s ACT: The Cambridge Approach course this spring. The course covers the four-multiple-choice tests: English, Reading, Science and Math, plus writing and test anxiety. Textbook rental, pre and post-tests included; $199.

Opportunities to Visit UW-Waukesha

**Campus Preview**— This is the best event for high-school juniors and seniors and their parents to learn what UW-Waukesha has to offer, receive information about admission and financial aid, meet current students, speak to faculty and advisors one-on-one about majors and course offerings, and tour the campus.

Wednesday, June 3rd 1:00-3:30 p.m.
Wednesday, July 8th 6:00-8:30 p.m.

**University Show and Tell** — This is a great event for a busy prospective student and family to attend. It will include a short information session followed by a campus walking tour. Students will receive information about UW-Waukesha, admissions and financial aid.

Monday, May 11th, 4:00-5:00 p.m.

Campus Life

**Concert**- The Jazz Extravaganza featured the UW-Waukesha Orchestra performing music written by Charlie Parker’s strings album.

End of the semester **SPRING FLING** was held Thursday, May 7, 2015. The event included free food, music, and outdoor activities.

**Concert**- The closing concert of the academic year always brings to life music that celebrates Spring and looking forward to summer. Friday, May 8, 2015 7:30-9:30pm, Lunt-Fontanne Theatre. $5 general admission.
**Next Steps for New Freshman**

The beginning of the summer is an exciting time on campus as we welcome new students for the Fall. All new freshmen are required to take the UW-System Placement Test as well as attend an Advising Session where they register for their Fall Classes. Information on registering for these events is sent to the email address they provided on their admission application.

**Placement Testing** began in March and **Advising and Registration** begins mid May. Both events will continue throughout the Summer.

Please help us to remind students to complete these required events **as soon as possible** to ensure the best selection of courses. The sooner they placement test, the sooner they can register for their classes.

---

**Time Sensitive Information**

- **It's not too late** to apply! We are still accepting applications for both Summer and Fall 2015. Find admission information on the UW-Waukesha [website](mailto:waukesha.uwc.edu/summer).

- **Get ahead during summer**—UW-Waukesha offers affordable summer courses that transfer to all UW Schools (and many private and out-of-state schools). In addition to general degree requirements, students planning to attend other universities can complete introductory math or English courses, enabling them to start ahead at their main campus and increase their chance of graduating in four years. Visit [waukesha.uwc.edu/summer](http://waukesha.uwc.edu/summer) for more information.

- **Fall registration** for new students begins in May, so [apply now](https://www.waukesha.uwc.edu) for the best selection of classes!

**Job and Internship Fair**

A couple weeks ago, UW-Waukesha hosted a Spring Job & Internship Fair where we had about 50 employers join us to speak with our current students. The companies that participated ranged in all different fields and were hiring for internships, full and part time jobs, and even some volunteer work. This was a great opportunity for students to talk with representatives about jobs or internships for the school year or beyond. With a wide range of opportunities represented, individuals built skills in many areas. They were able to introduce themselves and shake the representative’s hand, had resumes to hand in, and made some great community connections.
