

University of Wisconsin- Waukesha

Pre-College Programs

PROGRAM MISSION

The mission of the UW-Waukesha Pre-College program is to provide academic and social support for students in middle and high school. Students explore higher education options, discover college majors and careers, and build leadership skills to prepare for future opportunities. The program emphasizes the importance of higher education through academic programming and enrichment activities.

Position: Program Mentor

Duties:

Provide academic and social support to students in grades 6th – 12th grade. Assist with program preparation and presentations on college, careers, life skills and leadership. Serve as a positive role model and assist students in their personal and academic development.

Requirements:

Must be enrolled at UW-Waukesha and be in good academic standing. Must be dependable, good study habits and possess good communication skills. Must be able to assist students in math, English and science. Comfortable speaking in front of large and small groups. Must have reliable transportation to get to the program sites.

Hours:

Monday – Wednesday 2:00pm - 4:30pm

Additional Office Hours available as well.

Pay: \$8.50/ hour, work study preferred (not required)

Off Campus Sites:

Program will be held at local middle and high schools. Transportation required.
