Athletics Internship
UW-Waukesha Athletic Department

Overview:
UW-Waukesha Athletic Department is looking to hire interns who are interested in gaining experience in athletic management in an enjoyable and fast-paced environment.

Description:
The successful intern will be responsible for assisting the coaches and Athletic Director during home sporting events and supervising students in the gymnasium and weight room. Responsibilities will also include working with the Athletic Director on special projects, assisting with intramurals, and updating webpage content. Additionally, interns will also have the opportunity to work and network with numerous individuals within the field including Athletic Trainers, game officials, scorers, and coaches. The internship is paid ($8 per hour) and requires approximately 10-20 hours per week. Hours may be during the school day only, evenings only, or a combination of the two.

Qualifications:
Interns are expected to: have strong organizational skills and attention to detail, be timely and dependable, be capable of working with a variety of individuals, and work with a high level of energy and a positive attitude. An interest in the field of Kinesiology, Athletics, Exercise Science, or Business is preferred but not required.

How to Apply:
Email Athletic Director, Marie Peterson at marie.peterson@uwc.edu with a current resume, preferred hours (days, evenings, or both), and a brief paragraph explaining why you would be a good fit for the position.
