Library puts Cameras on display

For those photography buffs out there, the Library’s vertical display cabinet has 14 different cameras dating from 1934-1970. You will find names such as Agfa, Argus, Kodak, Minolta Polaroid and Yashika. We have also displayed some of the many books on photography from our collection. Stop in, take a look and check out some of the books on the display.

A man can fail many times, but he isn’t a failure until he begins to blame someone else.  
- John Burroughs

Expand your horizons, check out the UW-Colleges Study Abroad program.

Applications will be accepted till March 15 for the following programs:

China – July 1 - 29, 2013
Oxford – August 3 – 23, 2013

These are just two of the study abroad courses have been developed by the UW Colleges faculty and staff. They carry UW Colleges credits, meet graduation requirements, and are transferable to other institutions. Discuss your academic plan with your adviser or the Study Abroad Coordinator before applying.

Students are charged a program fee that includes tuition, airfare, lodging, in-country transportation, most meals, insurance and other instruction related expenses. You will need to complete an application form and send a $500 deposit to confirm their intent to participate in the program. Assistance is available through additional federal student aid or parent loans if they are eligible.

Please explore our programs by visiting http://www.uwc.edu/academics/study-abroad and APPLY NOW!

These opportunities are open to anyone who loves to learn!
