Student Art Displayed in the Library

New glass board in L112 for those LONG equations!

While UW-Waukesha students were away on Spring Break, the maintenance staff painted the wall and installed a brand new, 8 foot long glass white board in the library (L112). Students can now work on those LONG chemistry and math equations while studying in a group.

You can register NOW for Summer Classes

Summer courses are offered May-August at UW-Waukesha. You can choose from 3-week, 4-week, 6-week and 8-week sessions. When viewing the course schedule, click on the name of the class to see the dates it is being offered. Summer is a good time squeeze in a credit or three. Take a look at what is available. The link to Summer courses is on the UW-Waukesha main page.
