Authorization for campus regulations comes from the Wisconsin Statutes UWS 18, “Conduct on University Lands” and Wisconsin Statute Ch. 346, “Rules of the Road,” that also applies to off-street areas designated as parking facilities. All traffic shall obey the posted signs regulating campus traffic.

If you have questions about parking on campus, visit the campus Business Office, check our web site waukesha.uwc.edu or email wakpark@uwc.edu.

The primary features of the campus parking program include:
- Registration of vehicles for faculty, staff and students using campus lots
- Parking for visitors
- Clear and concise parking regulations and enforcement beginning the first day of classes
- Well-defined parking areas
- Unobstructed drives for emergency vehicles

FREE PARKING
No permit is required to park in Lot 6B. Parking is also available on University Drive and nearby city streets. Please note that parking on city streets is under the jurisdiction of the City of Waukesha Police Department.

SHORT-TERM PARKING
Short-term parking is available in front of the Commons building and also in Lot 7 for a maximum of 45 minutes. Those spots are intended to be short term (not attending class) for student, staff, and for visitor use while attending to campus business. 2. Permits are not required during winter break or summer session.
3. Purchase parking permits at the Business Office at the annual rate of $70. Permits are valid from date-of-purchase through August 2016. If a permit is lost, a new permit must be purchased at full cost.
4. Permits must be clearly displayed on the inside, lower driver-side of the front windshield.
5. Persons who own more than one vehicle may transfer the permit between vehicles or may purchase a permit for each vehicle at full-price.
